No Experience Necessary

That’s not a sign one see very often nowadays. But in the case of The Tech, it’s true. Whether or not you’ve written news, arts, sports, or opinion pieces, whether or not you’ve done newspaper design and production or sales and accounting, whether or not your photographic experience goes beyond snapshots, we welcome you to help us put together MIT’s oldest and largest newspaper. And perhaps pick up some new skills in the process.

If you’re interested in finding out how we do what we do, please visit us any day during R/O Week or at the Activities Midway.
