The new 3-D graphing grade-making easy-learning fast-answering budget-pleasing headache-busting HP 48G

Check it out
The new HP 48G graphic calculator gives you a whole lot more for a whole lot less than you think.

Get more
* Push a button, choose from the pull-down menu, and fill in the blanks. Entering data is that easy.
* View 3-D graphs.
* Access over 300 built-in equations.
* Perform algebra and calculus operations on equations before entering values.
* Enter and see equations like they appear on paper.
* Work with different units of measure. The HP 48G will convert them for you. For example, enter inches, centimeters, yards, and feet, together in one equation — it’ll convert them for you.

Get more ... for less
* Compare prices — the HP 48G fits your budget.

Special introductory offer* When you buy an HP 48G or HP 48GX, you can get free software (plus games!) and a free cable for connecting to your desktop PC. Write programs for the HP 48 using your PC keyboard, or store HP 48 files and programs on your desktop PC.

Pick up a coupon at your college bookstore.

*Offer good while supplies last on purchases made from August 1, 1993 through October 31, 1993. See coupon for terms and conditions.
