We need someone with the confidence of a surgeon, the dedication of a marathoner and the courage of an explorer.

We have a unique opportunity for someone special. We're looking for a first-year graduate student to join our staff. The person we're looking for might be a farmer, a teacher, a Peace Corps volunteer, a language and culture study specialist, or a recent college graduate. The tough job you'll have is to work with us at The Tech, one of America's most respected college newspapers. The job can be challenging and exciting! If you're interested, we encourage you to apply. For more information, call 617-56-5555.
