When You’re Considering
An Analyst Position in Investment Banking,
Consider One More Thing

Consider the investment bank that is uniquely in tune with the abilities and aspirations of the people who comprise it. Where high professional standards are reflected in principled every day practices. Where the talent of each individual is an integral part of the team effort. And where those who choose to accept the challenges set before them grow both personally and professionally.

In short, consider the Investment Banking Division at Goldman Sachs.
