Teradyne.
The right place for you.

Teradyne is the right place for all kinds of people. It's a stimulating environment that challenges people every day. You're free to do the things you think need to be done, with a minimum of rules, regulations, and bureaucracy. We want people who don't need to be led by the hand. We want talented, bright people with new ideas and the initiative to give those ideas a shot.

You'll have plenty of opportunity at Teradyne. We're a $900 million electronics company that competes in the global market, working with the world's largest companies. Our technology is unmatched, and our commitment to Total Quality Management is unwavering. In other words, we're big... but not too big!
