Safety Patrol to Be Discussed

control, from Page 1

Stephen Brown and UA President Hans G. Godfrey '94 agree that the major-

ity of student and faculty members are in favor of the proposal. The Undergraduate

endorsed the program's fate because all students living on campus are

influence. The program would continue to exist after student

ince student interest. He said.

In addition, if patrollers were encourages by the trust, undergraduates

would probably demonstrate a greater interest in patrolling because they

are in more need of tuition funding. Brown said. Funding would originate from the

Senior Vice President William L. Dickson '56, Baker said.

According to a recent survey of 100 students, about 13 percent indi-

cated that they would volunteer, Baker said.

The GSC and UA will hold an informational meeting with chief

of Campus Police Anne P. Glavin today at 6 p.m. in the GSC Lounge at Walker Memorial. If few people

attended today's crucial meeting, then the program will not run as easily, Baker said.

Mature, dependable and open-minded individuals needed for unusual telephone
take-processing service, located in Cambridge.

FELLOWSHIPS, SCHOLARSHIPS,
GRANTS, AND AWARDS

At least 10 thousand dollars are available from the Mcknight Foundation for na-

tive or doctoral degrees in areas such as science, technology, applied health sci-

ences, and the arts. These awards will be awarded to individuals who have

applied for applications or additional information.

The Mcknight Foundations, will provide 10 students with

approximately $2,000 each to cover all educational costs in pursuit of

fellowships, or other programs. Applications will be accepted through Jan.

1994. Contact the Mcknight Foundations at 212-585-7749 for applications or additional information.

ON GOING ANNONCMENTS

The President's Office is accepting ap-

plications for the Mac/Varsity Fellows

Program, which is intended to recognize

and encourage undergraduate education at MIT. Nominees for appointment to a 1-

year term should be submitted no later than Nov. 15. Nominees may be selected

by any member of the MIT community for appointment of a student
to a student volunteer role.

Two weekends at Talbot House are open in November and December and will

be reserved for roommates. Each weekend will feature guest speakers and

informal discussions for those interested in learning more.

The Science of Wine is a series of lectures that will be held at 12:30 p.m. on

the first Thursday of each month at the Harvard University Press Library. A panel

of experts will discuss the science of wine and its cultural significance.

The Cambridge Youth Development Foundation welcomes volunteers interested in working with

children and youth. Applications will be reviewed on a first-come, first-served basis.

Volunteers are needed for a wide range of activities, including teaching,

mentoring, and administrative support.

For more information, please call 492-3928 or visit us online.

COUNSELING

A separate group for diverse groups will begin its 12-week session on Nov. 18.

The program is designed for students who wish to talk with a counselor or

Counselor on an individual basis. Interested students should call 492-3928 for

more information.

The Behavioral Medicine Program of the Cambridge Hospital sponsors short-term

group sessions throughout the year to help people deal with stress, anxiety,

anger, and depression, smoking cessation, weight management, parenthood, and

sexual abuse.

Volunteer Opportunities

Volunteers are needed for various activities, including

volunteering with clients to visit with elderly

individuals on your behalf.
