Remote Control
Power, Cultures, and the World of Appearances
Barbara Kruger
"A feast of insight into gender, sex, and contemporary culture, staged as snark attacks
tudded with devastating grace, acuity, and wit." — Carol S. Vance, Columbia University
$19.95

The Visual Mind
Art and Mathematics
edited by Michele Emmer

Marcel Duchamp
Work and Life
edited and with an introduction by Pontus Hulten
"A book with a surreal approach to the life and work of Marcel Duchamp—its even
reverable...massive, but elegant, encyclopedic, but always to the point."
1,200 bibl. and color illus., $60.00 prepublication price through Dec. 31, 1993
$75.00 thereafter

The Definitively Unfinished Marcel Duchamp
edited by Thyrié de Duve
Co-published with the Nova Scotia College of Art and Design
$49.95 hardcover

Body Criticism
Imaging the Unseen in Enlightenment Art and Medicine
Barbara Mann-Stafford
254 illus. $59.95 paperback

The Invention of Pornography, 1500-1800
edited by Lynn Hunt
"Illustrating, rather than delimiting, [these essays] take us from Renaissance to French
Revolution, with a few steps beyond. All are readable, informative, scholarly. And in
some way argue that pornography was more than smutty stories or piquant pictures: a
form of political and religious non-conformity that deserves attention for the light it
63 illus. $22.95
