If you’re planning to use Athena for your thesis this spring, you’ll need to learn **LaTeX** (a text formatting language) and MIT’s **LaTeX Thesis** template.

- **Latex** can make doing your thesis easier: it handles the formatting issues, so you can concentrate on research and writing. Give us 2 hours, and we’ll show you how.
- The full minicourse schedule is available at all Athena Clusters, or on-line via Dash -> Help -> Help on Athena -> Athena Minicourses.
- Contact the Athena Training Group at <training@mit> or x3-0184, for more information.
- **All minicourses are taught in Room 3-343.**

**PLEASE NOTE: No Pre-registration or Reservations are Needed...**

Just show up for the class.
