Political Correctness:

How "Orthodox" is it?

Fr. Anthony Ugolnik

Wednesday, February 9

8:00 PM

MIT Chapel

A 2000 year old Christian perspective on today's hottest controversies.

Preceded by Vespers (evening prayer) service at 7:00 PM. Sponsored by the MIT Orthodox Christian Fellowship.

DECISION FOCUS INCORPORATED

Career Opportunities in Management Consulting

DFI is a management consulting firm specializing in applying quantitative management science to help clients improve profitability and performance and gain strategic advantage. DFI has proven expertise in a number of areas including transportation and travel-related industries, electric power, oil and gas, and environmental decision management.

DFI seeks highly motivated candidates (B.S., M.S., M.B.A. and Ph.D.) who have strong problems solving and analytical skills, a high degree enthusiasm, excellent written and oral communication skills and a desire to interact with clients and have an impact on the clients’ organization. Background in quantitative management science such as decision analysis, operations research, mathematical modeling, economics, or business is essential as is the ability to use computer as analytical tools.

DFI will be interviewing in Boston in March 1994. To request an interview, send resumes and transcripts to:
