ardvark displays improvisational dynamic, skill

ARDVARK REVIEW

North Atlantic College, Camden, ME

by Lecturer Mark Harvey.
Harvard Divinity School
April 15, 1994.

Adam Lindsay

In one of the most intriguing performances of the year, this young saxophonist
played the night in the New England
Jazz Festival concert. Take a trumpet or two, add a percussionist, a bassist, a french horn, and occasional
soloists on drums, clarinet, and tuba, and you have Aardvark. It is an odd instrumental
thing, but I have found more than a few "more basic" things in the horn,” Adam Lindsay.
