Enjoy Your Years while You Still Can, Underclassmen

Chung

"The time has come, sang Midnight Oil in their hit "Beds are Burning," and so it has. It's graduation time at MIT, and the students are getting restless, particularly the freshmen, for their additional credits are "home" to many students here, and the dormitories are "home" to many students here, and the dormitories are "home" to many students here, and the dormitories are "home" to many students here, and the dormitories are "home" to many students here, and the dormitories are "home" to many students here, and the dormitories are "home" to many students here, and the dormitories are "home" to many students here, and the dormitories are "home" to many students here, and the dormitories are "home" to many students here, and the dormitories are "home" to many students here, and the dormitories are "home" to many students here, and the dormitories are "home" to many students here, and the dormitories are "home" to many students here, and the dormitories are "home" to many students here, and the dormitories are "home" to many students here, and the dormitories are "home" to many students here, and the dormitories are "home" to many students here, and the dormitories are "home" to many students here, and the dormitories are "home" to many students here, and the
