New Cambridgeport
Park to Open in Spring

Parks, from Page 9

removal of asphalt from the area, which was previously used as a truck
garage, Gallop said. Removal of the
contaminants involved disposing all soil 4 feet from the surface, she said.

After the construction of an irri-
tigation system and a fence and the
plating of grass seed, the park will
be turned over to the city, Gallop
tsaid. The park officially opens next
spring, she said.

MIT involved in community

"The park is a valuable open
space asset for a neighborhood not
well served by city parks," said
M. Dash, "They ask us on the spot
to escort home are those already head-
in the right direction, she said.

The city has been working
with the Cambridge community to
make positive contributions," Gallop
said. "Our mission is
to be a good neighbor and to work
closely with Cambridgeport resi-
dents in planning the park, he said.

The city and the Cambridgeport
residents cooperated on a decision
to keep one half of the park open,
while the other half will contain a
children's area, a natural sitting
area, and a garden, Dash said.

MIT has been involved in a
number of community projects, the
most recent being the construction
of a 1.9 million center for home-
less substance abusers, Gallop said.

In fiscal year 1994, MIT's financial
contribution to the Cambridge com-

One possible explanation for the
evangelism of Safe Walk is the popular-
ity of the SafeRide vans, Miranda
said. "People think of SafeRide and
forget about Safe Walk," he said.

As Safe Walk has its advantages,
peculiar to those people who want
walks from one end of campus to
the other.

With a newly trained force of
not 25 people, Safe Walk can per-
form effectively, Miranda said.
Walking from Sloan (School) to
entrance to Arbor House is a hike
any time, at 11 p.m. at 1 a.m. in
ever morning, when personal safety
becomes a factor," he said. "At the very least we offer you an escort," he said. "No one
wants to bother the workers,
"Dash said. "They ask us on the spot
to escort home are those already head-
going in the right direction, she said.

Many students don't call Safe
Walk for assistance because they
don't want to bother the workers,
said. The city has been working
with the Cambridge community to
make positive contributions," Gallop
said. "Our mission is
to be a good neighbor and to work
closely with Cambridgeport resi-
dents in planning the park, he said.

The city and the Cambridgeport
residents cooperated on a decision
to keep one half of the park open,
while the other half will contain a
children's area, a natural sitting
area, and a garden, Dash said.

MIT has been involved in a
number of community projects, the
most recent being the construction
of a 1.9 million center for home-
less substance abusers, Gallop said.

In fiscal year 1994, MIT's financial
contribution to the Cambridge com-
munity totaled about $42 million.

"We try to be as helpful as we
can," Gallop said. "Our mission is
to be a good neighbor and to work
with the Cambridge community to
make positive contributions."
