SO YOU'RE GOOD IN MATH

If you have a strong math aptitude and a business orientation, (math major not required) the actuarial profession offers unlimited career potential.

The Equitable, a financial giant, is one of the nation's largest life insurance companies. As a member of our Actuarial Development Program, your skills will be developed through a series of varied job assignments and continued formal education.

A unique work-study summer internship is also available.

To learn more, come to my presentation on October 20 at 4:30 p.m. in Room 310 of the Harvard Science Center.
