Everyone is looking for value. Getting good quality at an affordable price. And that's what we provide at the New England Eye Institute (NEEI). As the primary eyecare facility of the New England College of Optometry, we carry on a century-old tradition of maintaining the cutting edge in eyecare and contact lenses at prices everybody can live with.

Every NEEI patient is entitled to our low prices. Current patients already enjoy this benefit in an environment that emphasizes attention to their individual needs. And becoming a patient is easy. Come in for one of the most thorough eye exams you ever had. Our contact lens specialists will evaluate your eyes and current lenses and you'll be able to purchase great replacement lenses at these extremely low prices, which are equal to or less than almost anywhere else. All FDA-approved lenses are available. If your lenses aren't listed, call us.
