With General Electric

Who?
BS and MS candidates in electrical engineering, computer science, mechanical engineering, chemical engineering, aeronautical engineering, and nuclear engineering.

What?
The General Electric Technical Recruiting Team will be conducting campus interviews at the MIT Career Office for challenging career opportunities within one of the most diversified companies in the world. Contact your placement office to schedule an interview with one of our technical managers. Six GE businesses will be interviewing for our new Technical Leadership Program.

This two-year program offers unique on-the-job, experience and formal training in:
- Design and Development
- Manufacturing and Sourcing
- Sales and Service

For more information on these programs and the major business areas available, refer to the General Electric file available in your placement office.

When and Where?
Tuesday, November 15th and Wednesday, November 16th at the MIT Career Office.

Join a UA Committee and get involved in the issues

1. Student Life - Investigate issues such as Food Services, Card Keys, Medical Care, and Advising at MIT. It will look at problems in these areas and assess how they can be improved.

2. Educational Policy - This committee will be studying the changes proposed on the current grading system by the Committee on Academic Performance.

3. Social - This committee will be planning campus-wide events that will hopefully bring the community closer together.
