Discuss Your Future
With General Electric

Who?
BS and MS candidates in electrical engineering, computer science, mechanical engineering, chemical engineering, aeronautical engineering, and nuclear engineering.

What?
The General Electric Technical Recruiting Team will be conducting campus interviews at the MIT Career Office for challenging career opportunities within one of the most diversified companies in the world. Contact your placement office to schedule an interview with one of our technical managers. Six GE businesses will be interviewing for our new Technical Leadership Program.

This two-year program offers unique on-the-job experience and formal training in:
• Design and Development
• Manufacturing and Sourcing
• Sales and Service

For more information on these programs and the major business areas available, refer to the General Electric file available in your placement office.

When and Where?
Tuesday, November 15th and Wednesday, November 16th at the MIT Career Office.

The future is working at General Electric
