We need someone with the confidence of a surgeon, the dedication of a marathoner and the courage of an explorer.

We need someone to fill a unique job opening. Someone to spend two years in another country. To live and work in another culture. To learn a new language and acquire new skills.

We need someone who wants to help improve other people's lives. Who's anxious to build lasting friendships. To gain memories and experience that will last a lifetime. And a sense of fulfillment few jobs can match.

We need a Peace Corps volunteer. Interested? The first step is easy. Call 1-800-424-8580, Ext. 93.

At 4.5 lbs., Canon's Typestar™ 10 and 220 may be lightweight, but they're heavyweights in the world of portable typewriters. They print crisp, clean characters sure to impress the most demanding professors.

And they have automatic features like word and character delete, underlining and centering to make it easier to create better looking papers. On the Typestar 220, there's even a built-in spell checker/corrector so you don't have to drag along a dictionary.

What's more, their non-impact printing lets you take them to quiet places such as the library. And because they can also run on batteries, you can even take them to the park.

To find out where you can pick up a Typestar personal typewriter of your own, call 1-800-432-1-HOP.
