RESTAURANT

The meals served at this model establishment produce perfect brain, bone, and muscle, because they are scientifically prepared from foods having the greatest possible amount of nourishment. Nuts and grains are combined so as to supply perfect meat substitutes; thus doing away with any necessity for flesh food. Gems and cakes made without soda or baking powder; salads and chili sauce free from vinegar or irritating condiments, refreshing beverages without theo-bromine, theine, or caffeine are a few of the health producing preparations found on our tables.

Tickets supplied at a liberal discount.
