up the Institute. The speakers were: Dr. S. J. Mixer, '75; Ex-President Crafts; President Pritchett; Professor Cross, '70; Mr. J. P. Munroe, '82, and the newly elected President of the Association, F. L. Locke, '86. Each speaker was greeted with a Tech cheer, which equalled in volume any yell given by an equal number of undergraduates. When President Mixer said that Mrs. Rogers was honored and loved by all Tech men, the Alumni rose to their feet with a cheer that fairly shook the building.

The guests of the Association were Mrs. Rogers, Hon. Wm. Endicott, the only living member of the first Corporation, Pres. H. S. Pritchett, Ex-Pres. Jas. Crafts, Prof. C. R. Cross, and Mr. J. P. Munroe.

of the prices being raised for the occasion is absurd, when the ticket is presented after the purchase has been made.

The Board is not recompensed in any way; their work is entirely without pay; they are doing all they can to help the Society along and to make a better showing each successive year. They merely ask deserved co-operation in the purchase of co-operative tickets, in the use of them when patronizing affiliated tradesmen and in the support which should be given in the sale of material at the booths.

Mr. Harry L. Grant, XIII, '01, announces that he severs his connection with the New York Shipbuilding Co. of Camden, N. J., to take the position of assistant to the general manager of the Western Electric Co., headquarters at Chicago. J. R. DANIELL,
