

The Tech

VOL. XXIV. No. 45

BOSTON, MASS., WEDNESDAY, FEBRUARY 8, 1905.

PRICE THREE CENTS.

OUTLOOK FOR TECH SHOW.

Competent Coaching Provided and a Big Success Assured.

The Tech Show for 1905 has been so fortunate as to secure for its Head Coach Miss Kate Ryan, whom everyone who has been interested in the theatrical world for the last ten years will remember as one of the leading members of the former Boston Museum Stock Company. She is now playing with the Castle Square Stock Company, and her excellent reputation in the dramatic world is well known. As a dramatic teacher she is among the best, and there is hardly a New England school or college that has not at some time presented a play of some sort under her direction.

The announcement to Technology men that Mr. John G. Mullally, leader of the Hollis Street Theatre orchestra, is to be the musical director for this year's Show cannot but be looked upon as a most excellent selection. Mr. Mullally has in the past filled this position in a way which few other men in his line could have done, and the management are to be congratulated upon their success in obtaining his services.

All men who are fortunate enough to be among the dancers in this year's Tech Show will know a great deal more about the art after their training under such an able coach as Mr. John Coleman. He says that the boys will have a better training this year than ever before, as he is going to make this Show the best ever in his particular department.

One of the great improvements in last year's Show was the fact that the music was thoroughly harmonized and showed a finish which had never before been secured. This was due in a great part to Mr. Gillette who worked over the music with the fellows and rounded it into shape. He will do the same thing this year, and all music which is presented will first pass through his hands.

The author of this year's Show has not yet been announced, but we understand that there is a great chance for men who are clever at

(Continued on Page 4.)

NO ADMISSION FEE.

Technology Club Grants Concession to Undergraduate Candidates for Membership.

The Technology Club has recently taken action with a view to making the financial conditions of membership somewhat more favorable to undergraduate members. The admission fee for resident members generally is \$10.00 but no admission fee is required of undergraduate members. This concession is made by the Club in view of the uncertainty which an undergraduate member may naturally feel as to continuance of his membership after the end of his course. An undergraduate may thus in future have the privileges of membership at a time when this has special value, without feeling that the admission fee will have been sacrificed in case his professional work leads him to another part of the country. On the other hand, an alumnus who has become a member of the Club before graduation will have escaped the necessity of paying any admission fee. The number of undergraduate members is limited to sixty, as heretofore.

The Society of Arts.

The 605th regular meeting of the Society will be held in Room 22, Walker Building, Thursday, February 9, at 8 o'clock.

Dr. Charles Wardell Stiles of the Public Health and Marine Hospital Service will address the Society on "The Hookworm Disease: a New and Important Parasite Disease of Man." The lecture will be illustrated. Members are requested to invite friends interested in the subject. S. C. PRESCOTT, Sec'y.

Technology Bequeathed \$25,000.

Through the bequest of Mr. Macy S. Pope, late of Brookline, the Institute of Technology receives \$25,000.

Mr. Pope was a graduate of Course I, in the class of 1882. In 1892 he took the position of Assistant in Civil Engineering, and a year later was appointed Inspector for the Associated Factory Mutual Fire Insurance Company, a position which he held until his death.

ATHLETIC NOTES.

During the mid-year vacation R. D. Gatewood, '05, was elected captain of the Tech Fencing Team to fill the place made vacant by the resignation of Jorge Lage, '06.

The Annual Indoor and Class Championship Meet will be held this year on Thursday evening, Feb. 16, at 7.45. Admission 25 cents.

Basket ball practice will be held this term every Tuesday and Thursday at 4 P. M., and on Saturday at 2 P. M.

The Tech Gymnasium Team will have an exhibition meet with the team of the Boston Y. M. C. A. at the Y. M. C. A. gymnasium on Boylston Street on Thursday, Feb. 23.

The next basket ball game will be with Harvard at the Tech Gym, Monday evening, Feb. 13.

The results of the hockey games played during the mid-year vacation were as follows: Jan. 13, Tech 16, DeMerritte School 0; Feb. 1, Franklin A. A. 5, Tech 7; Feb. 2, Tech 14, Mechanics Arts 1; Feb. 3, Newton Squash Club 3, Tech 4; Feb. 4, Tech 4, St. Marks 0; Feb. 6, Tech 4, Brookline Country Club 5.

The basket ball team has added a game with Boston College to its schedule. The game will be played at the Tech Gym on Feb. 21.

The gymnasium squads training for the B. A. A. Meet comprise the following men: For the 990 yd., Thomas, '07, Eaton, '07, Gibbons, '06, Williams, '06, Blackburn, '08, Barrows, '07. For the 780 yd., Wilson, '06, Tetlow, '07, Howe, '06, Chapman, '07, Marcy, '05, Howard, '06.

All candidates who have entered the B. A. A. Meet will get their entrance cards from G. C. Simpson, '06, as soon as possible.

There will be exhibited in Rogers Corridor, Friday, the cups and prizes which are to be given in the Annual Indoor Meet of February 16.

There will also be a sale of tickets to same Meet.

There is an unusually large number of uncalled for letters at the Cage. Men are requested to call for their mail.
