NOTICES.

(Continued from page 1.)

Civic Club.—There will be a
meeting of the Civic Club Friday,
February 23, at 8 P. M., at the Union.
It is very important that all men in-
terested in the club be present. All
members are especially urged to
attend.

Musical Clubs.—The Musical
Clubs will give a Concert Thursday
evening, February 22, at the Malden
Y. M. C. A. Members should be at
Sullivan Square at 7.10 P. M. All
orders for the pictures of the Mus-
ical Clubs should be given that
evening.

Sophomores.—No member of
the class is eligible for the *Technique*
'08 Electoral Committee, or
will be allowed to vote, until he has
signed the Constitution, and has paid
the dues for this year (\$1.00). The
Constitution will be left at the Cage
until 1 P. M. Saturday, February 24,
so that any Sophomore who has not
already signed can do so at once.
Dues should be left at the Cage, ad-
dressed to W. A. Adams, '08, before
Saturday, 1 o'clock. Ballots will be
mailed to all members of the class
on Wednesday, February 28.

Sophomores.—Do not forget the
class meeting today at 1 P. M., in
Huntington Hall. It is necessary
that every one be present. The
method of election of the *Technique*
'08 Electoral Board will be discussed
and voted upon. Two methods
have been used hitherto and it is of
the utmost importance that the most
desirable one should be chosen. A
full attendance is required as this
affects not only 1908 but the whole
Institute.

DISCUSSION BY GEOLOGICAL CLUB

About twenty were present at the
Geological Journal Club meeting,
yesterday at 4.15 in 14 Pierce. The
subject was "The Problem of
Metalliferous Veins." J. B. Holmes,
'06, read an abstract of an article by
Prof. Kemp, of Columbia College,
in which his belief in the impor-
tance of magnetic water in the for-
mation of such veins was stated, and
Prof. W. O. Crosby spoke for the
opposite view, illustrating his state-
ments by means of specimens of
veins and concretions. Meetings of
the club in the future will be held at
4.15 P. M. Wednesday, instead of
Thursday.
