COLLEGE NOTES.

A new library building is being erected on the Yale campus.

The University of Colorado has received an estate known as Manitou Park about twenty miles west of Colorado Springs. The gift is to establish a school of forestry and includes a fine hotel and cottages, the revenue of which will be used for endowment of the school, as well as several thousand acres of forest.

Indiana is the only state which has a solid delegation of college-bred men in the two houses of Congress. Heretofore the state which ranked highest in this particular was Massachusetts. The Indiana men have an unbroken record of collegiate education.

The announcement has been made that Andrew Carnegie has offered to Brown University \$150,000 toward the new \$300,000 library which the corporation has decided to build. At the suggestion of Mr. Carnegie the library will be known as the John Hay Memorial Library. Hay was an alumnus of Brown, class of 1858. It is planned to build a library capable of holding several hundred thousand books, with a reading-room for 400 students, and separate rooms for the various departments of study. The work of construction will begin as soon as the total funds are in hand.

Lost.—In toilet room of Eng. C, an open face gold watch with leather fob. Finder please communicate with J. L. ACKERSON, XIIIa., 261 Newbury Street.
