Gentlemen:

Lighter weight overcoats are now
in order, and most of us thoroughly
appreciate the ease and comfort of
the change from the clumsy winter
coat to the more graceful and easier
handled light weight.

Fashion has decreed that soft
grays with more length than for-
merly, and fashioned more to the
body, are to be the thing.

There's good reason for the
change; the new lengths will cover
the longer sack suit, the cutaway,
or the frock coat.

Scots & Company, having anti-
cipated the demand from good
dressers for something distinctive in
light weight top coats, are prepared
to show models and fabrics which
are beyond criticism.

Prices \$25 to \$45

SPRING TRAINING AT TECH FIELD.

Spring training for the track team
started Thursday afternoon and the
Tech field again showed signs of
life. About twenty men were out
for the track practice besides some
thirty undergraduates who reported

for baseball practice. Only light
practice was indulged in and after a
few days of limbering up the squads
will get down to hard work.

HARVARD MINERS ENTERTAINED.

The Mining Engineering Society
will meet today, April 6, at 7.30
P.M. at the Tech Union. The Har-
vard Mining Club will be the guests
of the society.

Prof. R. H. Richards will speak
on the "Black Sands of the Pacific
Coast" and the lecture will be illus-
trated with stereopticon views.

All Course III men are especially
requested to be present. No tickets
are required.
