Gentlemen:

Lighter weight overcoats are now
in order, and most of us thoroughly
appreciate the ease and comfort of
the change from the clumsy winter
coat to the more graceful and easier
handled light weight.

Fashion has decreed that soft
grays with more length than for-
merly, and fashioned more to the
body, are to be the thing.

There's good reason for the
change; the new lengths will cover
the longer sack suit, the cutaway,
or the frock coat.

Scots & Company, having anti-
cipated the demand from good
dressers for something distinctive in
light weight top coats, are prepared
to show models and fabrics which
are beyond criticism.
