MUSICAL CLUB CONCERTS.

On Tuesday evening a concert was given at the Roslindale Unitarian Church, Roslindale, by the Glee and Mandolin Clubs, assisted by Miss Marie Walter, reader, Mr. Abbot H. Thompson, 'cellist, and Mr. Edward Orchard, bass soloist. The music rendered by the clubs was the same as that to be played in the Spring Concert, and it constituted an excellent program. The Mandolin Quintet, which is to perform in the Spring Concert, appeared for the first time this season.

On Wednesday evening, the Banjo Club rendered a program at the Baker Memorial Church, Dorchester. The club played the numbers that are to be on the program of the Spring Concert, and performed very creditably. Mr. Fales, leader of the club, appeared as banjo soloist and was encored repeatedly. Vocal solos by Mr. Harry H. Cook and Mr. Arthur Killion were received with much applause. Only three mem-

bers of the Mandolin Club were present, and though handicapped by their small number, they made a favorable impression with two of the club's selections. Miss Florence White, of the Emerson College of Oratory, scored the hit of the evening in several humorous readings that were encored again and again.

The program was followed by refreshments and the members of the club spent a pleasant hour as guests of their hospitable hosts.

TECH MAN GETS BIG SCHOLARSHIP.

The University Council of Columbia University, New York, has just awarded a fellowship of the value of \$650 to Mr. Francis C. Lincoln, a resident of New York City and a graduate of Massachusetts Institute of Technology, of the Class of 1900. The Columbia fellowships, of which twenty are awarded each year, are among the most highly prized academic honors in the United States and the selections are made from a large number of candidates.

SAN FRANCISCO MEN TO GO HOME.

Mr. S. H. Page and Mr. E. H. Blade, San Francisco men, who were studying here at the Institute, left yesterday (April 20) for home. Neither man had heard from his folks, and as their homes were in the district that has been reported destroyed, they thought that their presence was needed.
