## Gentlemen:

Lighter weight overcoats are now in order, and most of us thoroughly appreciate the ease and comfort of the change from the clumsy winter coat to the more graceful and easier handled light weight.

Fashion has decreed that soft grays with more length than formerly, and fashioned more to the body, are to be the thing.

There's good reason for the change; the new lengths will cover the longer sack suit, the cutaway, or the frock coat.

Scots & Company, having anticipated the demand from good dressers for something distinctive in light weight top coats, are prepared to show models and fabrics which are beyond criticism.

Prices \$25 to \$45

### MEET AT NORTH END GROUNDS.

Following the usual custom a small number of Tech track men were entered in the events held at the North End playground on Patriot's Day. In the 100-yard dash K. W. Richards won first place for Technology on a handicap of 6 yards. Todd of Tech on a handicap of 2 yards ran a pretty race but lost his heat by a small margin. In the high jump R. D. Farrington won second place. In the mile relay race the Harvard team won, Tech coming in second and St. Alphonsus third. Howe and Godfrey, the first two runners for M. I. T., were on even terms with their competitors.

S. F. Nelson, '08, participated in the New England Chess Association meet Thursday at the Boston Chess Club. In the meet Nelson, representing Boston, played Polsson, representing all New England, and secured a draw. Thursday evening Nelson was one of the thirty men whom Dr. Lasker played simultaneously and, although defeated, Nelson played a very clever game.
