COMMUNICATION.

The Editors do not hold themselves respon-
sible for opinions expressed by corre-
spondents.

TO THE EDITOR OF THE TECH:

The system of offering prizes for
advertisements obtained by students
for *Technique* which was inaugu-
rated by the *Technique* Board of
1907, will be continued by the 1908
Board. The conditions of the com-
petition are briefly as follows: All
advertisements handed in must be
new, that is, must be other than
those contained in the *Techniques*
of 1906 and 1907. Every man will
receive 10% of the value of the
advertisements secured by him.
The man who obtains the greatest
money value of advertisements, pro-
vided it exceeds \$100, will be given
a prize of \$25, over and above his
10% discount. Every man who in-
tends to try will kindly see me about
it as soon as possible, to obtain con-
tract forms.
