LECTURES ON PHOTOGRAPHY.

On Tuesday afternoon Prof. Louis Derr gave an interesting lecture in 22 Walker on "Color Photography." He took up in detail several of the best known methods of color photography, explaining the technical and practical differences thoroughly. The lecture was profusely illustrated by beautiful lantern slides. Prof. Derr demonstrated the application of color photography to the making of three color prints by reproducing a landscape.

MINERS ELECT OFFICERS.

The Mining Engineering Society met in 2 Rogers Monday afternoon to elect officers for next term. The elections resulted as follows: President, J. S. Coupal, '07; Vice President and Treasurer, F. C. Jaccard, '07; Secretary, J. N. Maxwell, '08. The Executive Committee will consist of the President, Vice President and Secretary, and J. P. Chadwick, '07, and G. T. Bridgman, '08.

Columbia University has ordered A. E. Ward, the New York boat builder, to construct for its 'varsity crew a new eight-oared shell, to be used in the Poughkeepsie race during June. The shell is to be 58 feet in length, and will resemble in general model the beautiful craft which Ward built for Columbia last season. The new boat is to be finished June 1, or three days before the rowing squad leaves for the Hudson city.

The annual outdoor track and field meet of the South Atlantic Association of the Amateur Athletic Union will be at Bennings race track, Washington, D. C., June 9. It will be the first-time that the meet has been at Washington, and the athletic clubs there are making elaborate preparations for the entertainment of athletes and patrons of sport.

UNDERWOOD'S Original DEVILED HAM

When you strike off into the woods, see that in your pack basket or in the bow of your canoe you have a sufficient supply of Underwood's Original Deviled Ham. A small can and a couple of slices of bread, or, better still, cold toasted bread (toast should be buttered after it has become cold), make a satisfying and delightful lunch. In camp it is a way indispensable, either for emergencies or the regular table. It may be bought at any good grocer's, but be sure you see on the can THE LITTLE RED DEVIL. There is only ONE Deviled Ham—Underwood's Red Devil Brand. All others are imitations, but imitations in name only, as the goods commonly labeled and sold as potted or deviled ham, made as they are from the odds and ends of the packing house, are no more like Underwood's Original Ham than chalk is like cheese. Our Book contains a lot of unique and practical receipts. We will send it FREE.
