Wentworth who has been laid up the last two weeks on account of an injury to his elbow is back in the game. Saturday, February 2, at 3 o'clock, the team will play West Point at West Point. As the Hockey team plays West Point the same day, all Tech men who are near New York during their mid-year vacation are expected to be present at both games. During this same trip the Basketball team will probably play the Polytechnic Institute of Brooklyn, Thursday, January 31, and New York University Law School, Friday, February 1.

MOORE'S
NON-LEAKABLE
FOUNTAIN
PEN

While it is true that a good fountain pen will not leak if properly cared for, it is also true that it is not always possible for the most careful to treat it as they ought, while the careless are in continual trouble. These leaking troubles are all obviated in Moore's Non-Leakable Fountain Pen. This pen, is true to its name, it's air-tight and cannot leak. It is also clean to handle and clean to fill, and for these reasons is a favorite among the ladies, travellers and students, as well as among business men.
