Many people are not aware that active preparations for the '09 *Technique* have been begun. The Electoral Committee is now actively engaged *Technique*. in selecting next year's Board, and are reported to be progressing rapidly. The Electoral Committee has already appointed a sub committee on Art, of which Mr. Flagg is chairman. The business of this committee is to find all the artists in the class and induce them to submit competitive drawings. So far the results have not been particularly gratifying. This should not be the case. There is no reason to believe that there are not just as talented men in '09 as in the classes which have preceded it; and every one should help the committee to secure promising material.

Princeton will have no crew this year in spite of the rumor that a coach has been selected.

Co-eds at the Nebraska State University at Lincoln, Neb., are to receive instruction in boxing as well as other athletic exercises.

The cost of maintaining one student one week at the University of Michigan is \$3.82; at Wisconsin, \$6.86; at Illinois, \$7.59; at Chicago, \$8.69, and at Harvard, \$10.37.

Yale is to have an athletic field for scrubs. Two baseball diamonds and two football gridirons will be devoted to the varsity understudies.

Owing to the earnest wishes expressed by the Faculty, Alumni, and students of Princeton University Dr. Van Dyke has decided to reconsider his resignation from the Faculty of that institution, and will continue his work in the English Department.
