If you want to make money this summer

We have a proposition by which a good man can, in three months; make more than enough to defray his college expenses for the next year.

There is no outfit to buy and no catechism which you have to learn. All you need is your own gray matter and a little help from us from time to time.

If you will write us, we will gladly explain how we propose to make your next college year free from financial worry.
