NEW PLAN FOR Y. M. C. A.

A new course has been entered upon this year by the Tech Y. M. C. A. In the election of Lester W. Brock, '07, as graduating secretary Tech takes a stand with the Colleges and Universities foremost in the Y. M. C. A. work.

Until a little more than a year ago, the office of secretary of the Y. M. C. A. was held by a volunteer from the city association or from the student body. With the election to this position of Mr. Gates in 1905, the Y. M. C. A. became the first student organization to engage a salaried officer. This was a long step forward in the work at the Institute.

Another important move has been made in Mr. Brock's election. This places at the head of the work a man who has been connected with the association here for four years. He knows the men and the conditions. Mr. Brock was one of Tech's representatives last year at the great national conference of college Y. M. C. A. and Y. W. C. A. workers at Nashville, Tenn. where he was inspired with a desire to help in this great movement. He will also attend the Northfield conference for Eastern College Associations. In undertaking this work, Mr. Brock has the advantage of being able to devote his entire attention to the Technology association. He will strive to guide the association to where it will be self supporting, the end which Mr. Gates, the retiring secretary has always had in view.

In Mr. Gates the association

loses a good organizer and a tireless worker, and now with a Tech man at its head, the Technology Y. M. C. A. wishes him all success in the larger work into which he is entering.

SHOW RECEIPTS SATISFACTORY.

The receipts of the Tech Show so far this year have been extremely satisfactory, and all now looks as if the entire Show will be fully as good as the famous "Simon Pure Brass." The exceptional despatch and smoothness with which things have been done this year have added greatly to the comfort of all men on the management, and have helped to make this year's Show what it is. Those who have witnessed rehearsals have been high in their praise of the author, the coach, and the management.

ANNUAL EXHIBITION AT THE GYM.

The third annual gymnastic exhibition was held last evening at the Gym. One of the most interesting events was the presentation of the Cabot medals to John Tobin, '08, Frederick Jaeger, '09, John Tresnon, '07, P. P. Greenwood, '07, and L. Tuckerman, '06, for physical development and general gymnastic efficiency. Boxing matches between Schneider and Higgins, and Starkweather and Allen added to the interest. The other events were principally gymnastic, such as tumbling, club swinging, and excellent work on the high horizontal bar.
