

MORE RESOLUTIONS RECEIVED.**From the Mechanical Engineering Society.**

Whereas: The overcrowded condition of Mechanical Engineering Laboratories is daily brought to our attention; and

Whereas: The efficiency of the department is being impaired by this congestion; and

Whereas: Still further difficulties, if some steps are not taken to obviate them, promise to arise in the near future; and

Whereas: The Mechanical Engineering Society of the Massachusetts Institute of Technology believes in the fostering and supporting of student interests and activities; and

Whereas: A feasible plan for remedying the above-mentioned conditions, and increasing the opportunity for social communion among the students of the Institute of Technology by furnishing a suitable place in which they meet in common; be it

Resolved: That the Mechanical Engineering Society express itself as concurring heartily with the Institute Committee and the Board of Editors of The Tech in their endorsement of this plan; and be it further

Resolved: That the Mechanical Engineering Society of the Massachusetts Institute of Technology communicate these resolutions to the above-mentioned bodies in earnest of their sincere and hearty approval of the movement.

For the Society,

(Signed) HERBERT A. ANGUS,
President.

From the Walker Club.

Whereas: The Walker Club, after considering a suggestion of the Board of Editors of The Tech that Copley Hall

be given up to student use, is convinced that such would be to the advantage of the entire Institute, particularly in so far as it would greatly promote the broad ideals characteristic of General Walker;

Resolved: That the Walker Club hereby express its strong approval of this suggestion that Copley Hall be used to promote student welfare; also

Resolved: That these resolutions be printed in The Tech, and that a copy of them be handed to the Institute Committee.

For the Walker Club by the Executive Committee.

(Signed) CHANNING TURNER,
President.

(Signed) WALTER W. KING,
Secretary.

From the Class of 1907.

Whereas: The Institute Committee and the Board of Editors of The Tech have proposed the taking of Copley Hall as a temporary Walker Memorial Building, and

Whereas: Sixty-seven members of the Class of 1907, present at the first Alumni Dinner of the class, have unanimously expressed themselves in favor of the proposed plan, believing that its adoption will greatly benefit the undergraduate body of the Institute, the present Tech Union being inadequate, be it

Resolved: That the aforesaid sixty seven members of the Class of 1907 place themselves on record as being in favor of the proposed plan, and be it further

Resolved: That these resolutions be published in The Tech.

(Signed) HAROLD S. WONSON,
W. W. BIGELOW,
CLARENCE D. HOWE,
CHARLES E. ALLEN,
Committee of the Class.

BUSINESS OPPORTUNITY

I have what I think, a very good opportunity to offer to an ambitious young man, with capital and good education to enter business as an active partner. The business which I refer to is the production of Lead, Power and Feed Screws which are in great demand by the mechanical world. We can manufacture these screws in any number, interchangeable and all alike from 0 to 12 inches in diameter, any length, cut with any style of thread, with a very satisfactory profit over and above any other process known. This is something which has never been accomplished before, hence a good opportunity for a bright young man. I have a demonstrating plant fitted with these Screw Machines covered by patents which I would be pleased to show to such a person as before referred to, and would be only too glad to exchange references with anyone answering the above requirements.
