FINAL ORGANIZATION OF EPISCOPALS.

Wednesday afternoon the Tech Brotherhood of St. Andrew held a short meeting to make a few preliminary preparations for the regular organization to be undertaken Sunday morning at 9.00 o'clock in Trinity Church. The term of three months probation ends next week. Officers for the year will be elected Sunday, and the necessary forms made out with the names of the members to be enrolled in the national office as charter members.

FACULTY NOTICES.

SPECIALS.—Students who need a clear record in first year mathematics to become regular are requested to communicate with Prof. Tyler as soon as possible in order to arrange for special work or examinations made necessary by the reason of the course.

SENIORS.—A new bulletin on the opportunities for advanced study and research at the Institute has just been issued. Members of the Senior class who are contemplating spending a year or more in graduate work may obtain this bulletin on request at the Registrar's Office.

FOREIGN TRAVEL.—Students who may be thinking of travelling abroad next summer and desire information should consult Professor Vogel, in 33 Lowell, or by communicating with him at 95 Robinwood Avenue, Jamaica Plain, (Jamaica Plain 647-7).
