

To Tech Men IMPORTANT ANNOUNCEMENT

Hackett, Carhart & Co., of New York, have closed out to Henry Siegel Co., Boston, at 60 cents on the dollar, one thousand of their regular \$22.00, \$25.00, \$27.50, \$30.00 and \$35.00 Men's Spring and Summer Suits which will be on sale to-day, Saturday, May 23rd and next week in our men's clothing department on the third floor, at the following prices:

\$13.75 each for all of the \$22.00 and \$25.00 suits

\$16.50 each for all of the \$27.50 and \$30.00 suits

\$19.50 each for all of the \$35.00 suits

Hackett, Carhart & Co. are among the leading wholesale Tailors of the country and also conduct a large retail clothing store on Broadway, which is well known to Boston business men.

Hackett, Carhart clothing has a reputation second to none in America. It is all strictly high grade, hand tailored. The purchase consists of spring and summer suits which are now selling and will continue to sell for several weeks at \$22.00, \$25.00, \$27.50, \$30.00 and \$35.00. Hackett, Carhart & Co. became aware of the fact that their wholesale stocks were not moving rapidly enough, consequently we were able to make this purchase which we believe is without precedent in Boston.

It is by far the best opportunity of the season to buy high grade clothing at 60% of its actual, intrinsic worth, and the sale begins Saturday and will continue next week while any one of the thousand suits remain. We advise a selection as early as possible, as we know the instantaneous effect a sale of this kind has on men who appreciate high grade clothing at a price 40% less than regular prices.
