

It won't leak

MOORE'S

NON-LEAKABLE FOUNTAIN PEN

What would it be worth to you to own a Fountain Pen that you could carry around in your pocket or bag in any position with the positive assurance that it wouldn't leak? In Moore's Non-Leakable there is no way in which the ink can possibly leak out. This pen is always ready for instant use, and the moment it touches the paper, writes, without any preliminary shaking whatever. Furthermore, it will carry all grades of inks, including Copying and India inks. There are many different kinds of Fountain Pens on the market, but there is only one that is absolutely satisfactory, and that is Moore's Non-Leakable.
