MURAD

THE TURKISH CIGARETTE

Mrs. Fox was bragging one day about the large number of her cubs.

"How many cubs do you bring into the world at one time?" she asked the LIONESS.

"Only ONE," replied the Lioness—"but it's a LION."

MURADS COST 20 CENTS for a BOX of 10—BUT THEY'RE MURADS!

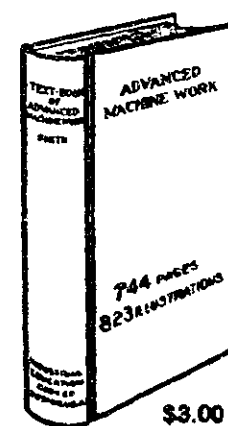

MURADS would be lower priced if we left out all or part of the 100% Turkish tobaccos of the purest and best varieties grown—or if we substituted inferior grades of Turkish tobacco.

But they wouldn't be MURADS—they'd only be Foxes!

"Judge for yourself—!"

Positions open to Sophomores are those of business manager, treasurer and two associate business managers for next year's Technique board. The 1923 editorial contest is for five positions on the Sophomore board. These also lead to offices on the 1923 Technique.

Freshmen may compete for four places in the business and editorial departments which also lead to positions on the Technique Board by the Junior year. All competitions are based solely on a point system.
