up on the Mountain and brought down the Office Manual."

Ike Litchfield in his address which followed said that he happened to glance at Munroe as "Lobby" made the latter remark and was "very much reminded of the Golden Calif." He opened his talk by saying that he had been limited to 15 minutes, but that if he hadn't finished by that time he was going to claim the old Deacon's privilege of "saying the rest in a prayer." He only spoke ten minutes.

Dean Talbot told several jokes in his talk, in addition to his familiar warning of not letting activities interfere with studies. He emphasized the fact that a proper balance must be obtained, at the same time admitting that those holding the more important offices at times must sacrifice their work.

Announce Fall Elections

G. L. Gilmore '90, president of the Alumni Association, made the last address. He said that "President Stratton is trying to draw the industrial world closer to Technology," and that the T. E. N. was helping along this line by its articles on industrial subjects.

Announcement of elections of those who came out for T. E. N. this past October was made at the banquet last night D. H. McCulloch '26, C. P. McHugh '26, R. G. Cunningham '27, S. Sagermaster '27, J. B. Wright '26, and E. A. Church '27 were elected to the business department. E. L. Perry '26 was elected to the editorial department, and J. R. Kimberly '26 to the publicity department.

NO BIG FOUR IMPENDING

The current rumor that a "big four" football combination to include Dartmouth, Harvard, Yale, and Princeton is to be formed is disavowed by The Harvard Crimson. The Harvard athletic authorities desire a Western team on the schedule, possibly, in the place of Dartmouth.

HOCKEY TEAM TAKE TO ICE NEXT WEDNESDAY

(Continued from Page 3)

Men Conditioning Fast

With all this preliminary training going on, the team will be in very good physical trim and ready to take the fullest advantage of their week on the ice before the first encounter of the winter season. Boston University is not considered as a particularly hard game but the men will need all of their skill and endurance when they take the ice against some of the Canadian teams.

Many Veterans on Hand

The team is fortunate in the number of veterans that will be available for play this year. Denton Massey, for several years star goal tender of the Beavers, captains the team this year. Johnny Deignan, captain and goal tender of last season's frosh, will furnish the opposition for this position. Dave Peen and Jerry Dalton are two fast and experienced men at the wing positions. Eddie Moulton at center and McPherson, substitute wing last year, are two more veterans who have shown up well in the workouts on the concrete so far.
